Lighthouse Youth Center

Lighthouse Youth Center, located at 68th and Silver Spring Drive in Milwaukee, is a nonprofit organization that offers after school programming to inner city youth. Created in 2004, Lighthouse Youth Center has become a central location where children can congregate and are safe physically, emotionally, and spiritually. Lighthouse Youth Center fulfills its mission by encouraging Bible study and a close relationship with Jesus Christ. Staff at Lighthouse work to equip the youth and their families with skills necessary to become self-controlled, responsible members of society. This is done through mentoring, tutoring, hot meals, and other programs, as well as through the overall loving and disciplined environment that exists at Lighthouse.

LIGHTHOUSE YOUTH CENTER GIVING PROGRAMS

Why should I donate to Lighthouse Youth Center?

Lighthouse Youth Center is an after-school facility that provides constructive activities and spiritual guidance to at-risk youth on Milwaukee's northwest side. Lighthouse relies heavily on individual gifts to help keep its doors open to the more than 500 teens served. There are a number of ways to donate to Lighthouse Youth Center, including through our website or by mailing your gift to Lighthouse. If you prefer a method of giving not listed here, please contact Pastor James Buske, Executive Director, to coordinate the donation.

Lighthouse Beacons

No Minimum Single or Recurring Monthly Donations

To maintain our current programming, we rely on our Lighthouse Beacon donors. Lighthouse Beacon donors are those supporters who are committed to keeping the beacon of Christ burning brightly in the lives of the young people we serve. If you are new to our family of supporters or are looking for a simple, yet effective way to help our youth, then consider becoming a Lighthouse Beacon. Your gift may be made as a single donation or as a recurring monthly donation.

Lighthouse Keepers

Donation of \$600 or More Per Year, Single or Recurring Monthly Donation

For those who are able to give more, the Lighthouse Keepers program is a wonderful way to support Lighthouse Youth Center on a larger scale. Funds from Lighthouse Keepers allow us to continue the current services and programs. Lighthouse Keepers are those donors who are able to make a gift of \$600 or more per year. Your gift may be made as a single gift or as a recurring \$50 monthly donation.

Lighthouse Builders

Donation of \$1200 or More Per Year, Single or Recurring Monthly Donation

By becoming a Lighthouse Builder and donating \$1,200 or more in a year, you join with those committed to expanding Lighthouse's services and programs. Whether you become a Lighthouse Builder through an annual one-time gift or through a recurring monthly donation, you help build the future of Lighthouse Youth Center.

Lighthouse Endowment

In 2009, the Board of Directors formally established the Lighthouse Youth Center Endowment Fund to help secure the future of Lighthouse.

Donations given to the Endowment are permanent; only the interest is used for projects and expansion of Lighthouse. This allows for the donation to have a much greater impact over a longer period of time. Funding Lighthouse's endowment may be done through large cash gifts, stocks, or through your estate plan. Should you choose to support Lighthouse in this way, please contact Pastor James Buske for a personal meeting and seek the advice of a professional financial planner.
